

CONSENT TO AN EXCEPTION TO THE ACCOMMODATION RULES

Persons under the age of 18 who attend SDK 2024 will be given priority to be accommodated with other minors of the same gender. The organisers try to accommodate requests from participants to be accommodated with a specific person (but please note that this is not always possible) - however, if this additional person is an adult or of a different gender to the participant, a scan of this completed form must be sent to info@sdkeurope.com by 20 June 2023.

The original document signed by the legal guardian must be presented at check-in on the day of arrival. If you do not deliver the form on time, your roommate will be selected automatically. It is not possible to change your roommate. Guests under 15 years of age cannot be accommodated without a parent/legal guardian.
